

CEDPO Live Webinar “The DPO in times of Covid-19”

More and more countries are loosening Covid-19 related restrictions, but this does not necessarily mean that the pandemic is over. Changes in way businesses operate continue, which creates data protection challenges that need to be tackled.

The Confederation of European Data Protection Organisation invites to take part in the Live Webinar. Our diverse panel of outstanding speakers will provide their views on how to deal with challenges resulting from data protection law emphasising the pivotal role of the DPO. Join us to look for answers to some of the most frequently asked questions of this uncertain time, including:

- **Challenges the DPO has to tackle regarding Covid-19 management and de-escalation**
 - Temperature screening and use of thermal cameras
 - Employee/site visitors health checks
 - Use of contact tracing applications by employers
- **Ongoing data processing activities at Member State Level to contain the pandemic**
 - Contact tracing obligations
 - Covid-19 Apps

Date of the Live Webinar:

June 16th, 4 PM – 5.30 PM CET

Speakers:

Moderator: Pascale Gelly (Vice President – International Affairs – AFCDP, France)

Panelists:

Cristiana Deca, Founding Partner of Decalex Legal Solutions - Vice President of ASCPD, Romania

Michał Kaczorowski, Head of International Affairs at SABI, Poland

Pedro Machado, Data Protection Officer Grupo Ageas - President of the Board of the General Assembly of AEPD, Portugal
